CONCEPT DE WARDROBE

Asmi ! it's me.

We are similar in so many ways,
yet each one of us is so unique, different.

*These little difference makes
us, who we are - **An individual
having our identity that rises
above the crowd.***

**Our outfits are a reflection of
our moods and are integral to
our personality.**

**Our Wardrobe is the expression
of our uniqueness, created in
the small space of mind... our
imagination...**

At VIR LAMINATE, we respect this uniqueness and
bring forth designs that suit individual taste, cutting across
age & gender.

Let's inspire!

The VIR surface shown above provides significantly better value in the NEMA Taber Wear Resistance Test (500 cycles using 180 grit sandpaper)

2

The VIR surface shown above provides significantly better value after 48,000 passes by a sliding 40 ounce steel can.

3

'clean the surface use a damp cloth and a mild cleaning agent which must not contain any abrasive substances. Stubborn stain e.g. glue residues can be carefully removed by using cleaning petrol or nail remover (acetone) aviode. To allow liquids to react on the surface for a longer period of time. Don` t use thinner on surface metal sheet.'
